Happy Halloween!

By KATE BRANSFIELD

The costumes, the candy, the fun. It's Halloween and what better way to celebrate than staying close to home, getting dressed up as your favorite ghoul or goblin and doing a little trick-or-treating.

North of Montana we're fortunate to live in a safe neighborhood that's inviting to families. It's the type of place where heading out with the little ones to scare up some treats is ideal on this fun, spooky holiday.

Safety first

Halloween is a special time of year for both children and adults.

To help parents make this Halloween the safest ever, the Santa Monica Police Department offers the following "safety tips" to ensure a "howling" good time for all.

- Try to trick-or-treat while there is still sunlight outside.
- Wear a costume that makes it easier for you to walk, see and be seen.
- If you must be out at night, make sure

that your costume is light in color.

- Carry a flashlight with you, so you can see and be seen easily.
- Use reflective tape on your costume to be seen easily.

- Use makeup instead of a mask.
- A mask may keep you from seeing well. Take off your mask before crossing the street.
- If someone older cannot go with you, trick-or-treat with a group.
- Plan your trick-or-treat route ahead of time. Pick well-lit streets. Tell your family which streets you will be on.
- Cross only at street corners — never cross between parked cars or mid-block.
- Wait until you get home to sort, check and eat your treats.
- Parents should help children check all candy. Unwrapped or unsealed candy should not be eaten.
